# Joseph Case High School

# From the Yearbook Staff

This past year has truly been one to remember. For everyone working on this yearbook, it has been an amazing time. We are very proud of the hard work and dedication that went into creating something special for our class and for our school.

This yearbook will encapsulate the 2016 - 2017 school year, and in turn showcase Case High School's heart and cardinal pride, as well as various other aspects of this incredible community we are a part of. The creation of this yearbook would not be possible without the contributions from the yearbook staff, Mr. Thomas Whalen, Mr. Jason Coulombe, Mr. Brian McCann, Mr. Chris Costa, Jostens Yearbook, Chestnut Hill Studios, and of course the community of Joseph Case High School.

The memories we created will be forever imprinted in time, and displayed in this yearbook. In addition, the yearbook staff would like to thank the senior class of 2017, for being the best class we could possibly wish for. The memories created, the achievements and the long list of experiences will be everlasting. The past four years will be some we will never forget, and certainly cherish for the rest of our lives. We wish the best for all of you in your lives post high school, and best of luck on all of your future endeavours.

Thank you JCHS! We hope you enjoy the yearbook!

-The Yearbook Staff

# Yearbook Dedication

On behalf of the class of 2017 we would like to dedicate this year's yearbook to:

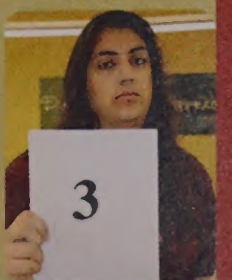

**Mrs. Kristine Lucca**

Mrs. Lucca has served as the Librarian at Joseph Case High School since 1986. Additionally, she is the Senior/Junior Class advisor, NHS advisor, VHS site coordinator, honor bowl advisor and organizer of all school dances. She is constantly helping students academically with assistance on research papers to other valuable library-based skills. Her infamous Learning Commons which has become known as “Lucca Land” remains a place where students can come to study, hang out, be with friends and feel welcome.

Mrs. Lucca’s years at Case have been full with memorable moments. Most students know that when “Love Shack” by the B-52’s plays at Homecoming or Prom, you can find Mrs. Lucca on the dance floor with everyone. She has left a lasting impression on her students that will take them well into their adult years. Aside from the countless hours Mrs. Lucca has put into making Case High School a better place, she has established many strong relationships with generations of students. Mrs. Lucca has been nothing but selfless over the years with her contribution to the Case High Community.

After 30 long years of working at Case, Mrs. Lucca is retiring. Although it's sad to see her go, Mrs. Lucca will always be remembered and appreciated for her dedication to her students and faculty at Case. As a school we have been truly blessed to have had Mrs. Lucca as our librarian and we can confidently say that there will be no one who can take her place.

Mrs. Lucca you are truly one of a kind! Thank you!

# Letters from the Administration

**John Robidoux**  
Superintendent

The graduating class of 2017 will always have special meaning to me as you are the first class to graduate during my, hopefully, long career as Superintendent of Swansea Public Schools.

I am excited to see all of you take the next step in your lives because I know that you have been well-prepared to enter the workforce, the armed forces, or college. My hope is that you have, not only grown academically, but that you have learned how to be kind, compassionate and will treat others with respect and dignity.

Remember that you have worked hard to get to this point in your lives and that no matter what the future holds; you will always be a Cardinal!!

**Good luck. Be well!**  
**John Robidoux**

**To the Class of 2017,**

**Today you gain membership to an exclusive group of alumni. Look fondly upon the memories and experiences you shared with classmates and teachers during your years in the Swansea Public Schools.**

**My wish for you is one of happiness, success and lasting friendships. Open your hearts and your minds to new ideas and fresh suggestions. May you never stop discovering, observing and learning about the people and places around you; be curious, get excited and constantly challenge yourself and never pass up the chance to give back.**

**Inspire, Explore, Push the boundaries!**

**Fondly,**  
**Ms. White**

**Elizabeth White**  
Assistant Superintendent

**Brian McCann**  
Principal

One of the Words of the Day in the month of December that I celebrated in morning announcements with your class president Billy Brodeur was the word maverick. Maverick is a noun meaning someone who takes an independent stand. Its broader connotation reflects a person not satisfied with the norm or status quo. The word also encapsulates the spirit of the Class of 2017.

I first met this group as 8th graders when I journeyed to the junior high school to talk about a brand new idea for the high school: an all-school summer reading title followed by an interdisciplinary day. This class was part of the pilot program with The Bridge of San Luis Rey that has evolved four years later into a September tradition of relating a one book to each of your classes on one day.

I was heartened that this class took risks. During the next four years, the august group of students continued to be mavericks with their commitment to school spirit with pre-game celebrations at the tennis courts, state and national titles in sports and the arts, participating and winning the first Mr. Joseph Case High School, and now being the first class to assemble on graduation day in a uniform color with an Honor Guard of juniors that is not determined by gender. All maverick initiatives!

I try to read for ten minutes in my office before starting each school day. Today, I am in the midst of Harry Potter and the Cursed Child, Rowling's latest incarnation in dramatic form that looks at the famous title character as an adult and father. One line resonated with my this morning as a gauntlet thrown down for the Class of 2017 to continue being mavericks after your adventure at Joseph Case High School is complete: "Today you get an opportunity few are given – today you get to change history."

May each of the graduates of the Class of 2017 accept this challenge and use your power of change for good EVERY day! Thank you for being 21st century mavericks!

Cheers!  
Brian McCann

To The Class of 2017,

As you now prepare to leave this familiar place and move on to a somewhat unknown future, take with you all the experiences and memories of your high school years. You entered Joseph Case High School with many uncertainties, and now depart with a solid foundation for success.

Whether you plan on entering higher education, the military, or the workforce, I am confident that Case High School has afforded you with many opportunities for personal growth. The academic rigor, athletic competition, and social challenges provided by Case High School have influenced your aspirations and shaped your character. Leave with a sense confidence and pride.

As you reflect on the past four years, thank those who have helped you along the way. Your families, friends, teachers, and coaches have celebrated your achievements and supported you when faced with adversity. It is now your responsibility to apply these experiences to your future endeavors. Take advantage of this time in your lives to reach your unlimited potential as products of the Swansea Public Schools.

Realize your dreams and don't ever be fearful of taking risks.

Best wishes.  
Christopher J. Costa
